

## Park Academy Scholarship Program

### General Contribution

Park Academy believes that no child should be turned away from an education due to economic barriers. All gifts to support the scholarship program to Park Academy are greatly appreciated. All contributors towards this effort will be invited to a round table conversation with the head of school to learn more about dyslexia and the role Park Academy plays in igniting, empowering and helping our children imagine a brighter future.

### Single year commitment

With your gift of \$10,250 (half scholarship) or \$19,500 (two students with half scholarship)

You will receive:

- I. Name and photo of student(s) you are sponsoring.
- II. Quarterly updates from administration and from the student(s).
- III. Invitation to three events with your recipient(s) each school year:  
Holiday party  
Grandparents and Special Friends Day  
Exhibition

In addition, you will be invited to a round table conversation with the head of school to learn more about dyslexia and the role Park Academy plays in igniting, empowering and helping our children imagine a brighter future.

### Four-year commitment

With a four year commitment to the Park Academy Scholarship Program, your gift of \$39,000 (half scholarship for the four years), or gift of \$78,000 (2 students with half scholarship for four years). Contributions may be made over the four-year period or given at one time.
