

FIVE ESSENTIAL COMPONENTS OF EFFECTIVE MATHEMATICS INTERVENTION

Research-driven strategies for exceptional learners
in grades K - 8

DATE:

Friday,
October 12, 2018
8am - 4pm

LOCATION:

Park Academy
1915 South Shore Blvd.
Lake Oswego, OR 97034

Early bird pricing: \$100
After Sept. 14th: \$125

Dr. Sarah Powell, a nationally-recognized expert in mathematics instruction and assessment for exceptional learners, will provide a full-day professional development opportunity.

The program will **focus on increasing mathematics achievement for students with dyslexia and other language-related learning disabilities.**

Some of the topics covered will include:

- Effective word-problem solving
- Use of multiple representations
- Mathematics writing
- The symbols and vocabulary within mathematics

Teachers will leave with not only a theoretical understanding of why students struggle but also usable strategies they can implement in their classrooms immediately.
