

# “Walk In The Shoes Of A Dyslexic”

A simulation

---

## October 10, 2018

### 6.30-8 p.m.

#### **PARK ACADEMY**

1915 South Shore Blvd.  
Lake Oswego, OR

**RSVP to Kim Barton,**  
**503.594.8776 or**  
**[kbarton@parkacademy.org](mailto:kbarton@parkacademy.org)**

As family members or professionals working with students challenged with dyslexia, we can have a good conceptual understanding of their challenges, but may not be able to fully appreciate the frustration and feelings of failure they experience daily.

Five simulations will show you how it feels to have a learning challenge caused by any one of the various types of language based learning differences. This experience will improve your understanding of the challenges students encounter.
